ANUBIS 3D

Anubis 3D Industrial Solutions Inc.
4100A Sladeview Crescent, Unit 4
Mississauga, Ontario, L5L 5Z3
P:(905) 581-0630 W:anubis3d.com

DESCRIPTION

The Anubis 3D Camera cover and mount is designed specifically to cover and protect FANUC iRVision family of camera systems. Designed to be fully collaborative compliant while still maintaining accessibility to key functions of the CRX Robot and the iRVision system. Manufactured from Nylon-12. The cover is easily installed between the robot's mounting flange and your tool.

FEATURES AND BENEFITS

- Fully encloses FANUC iRVision Camera components, including the power and communication cables.
- Access to key communication ports are unaffected and remain easily accessible.
- Two piece design, enables access to the Camera for setup, and maintenance while still being mounted to the robot.
- 6 Month Limited Warranty Included.
- Official FANUC CRX accessory supplier.
- Designed and Made in Canada.
